1. **GENERAL.** The order is expressly conditioned upon Seller’s acceptance for the terms and conditions set forth herein, together with the terms set forth in documents attached to the order or incorporated by reference on the face of the order. The order constitutes the entire agreement between WPS and Seller and supersedes all other agreements and undertakings, whether written or oral, between the parties with respect to the subject matter of the order except for Non-Exclusive Trademark Licenses which may exist between the Parties. The Order shall not be modified by or interpreted by reference to any course of dealing or usage of trade and shall not be modified by any course of performance. No modification of the order shall be effective unless in writing signed by the party to be charged with the modification. Any tender of goods which are nonconforming as to the quality or quantity or the delivery schedule shall constitute a break of the order and WPS shall have the absolute right to reject such goods, in whole or in part, and notify Seller thereof. In the event of such a tender, WPS shall be entitled to all remedies as provided by law, and in addition thereto shall have the right to do any or all of the following: (1) to hold such nonconforming goods for a reasonable period at Seller's risk and expense pending a determination to accept or reject any or all thereof; (2) to return such nonconforming goods to Seller at WPS election and at Seller's risk and expense for replacement or correction; (3) to accept such nonconforming goods subject to an equitable price reduction; (4) to replace or correct such nonconforming goods and charge to Seller the cost occasioned to WPS thereby; (5) to recover by offset or otherwise any and all expenses, costs, price reductions, and damages paid, incurred, or suffered by WPS as a result of such holding, return, replacement, correction, reductions, or rejections of nonconforming goods; or (6) to terminate this Contract as provided herein.
